A promoter by bribery made a deal to sell to the city some worn-out water plants and their franchises at an enormous price. He was given a certain amount of money to accomplish this. Fifty thousand dollars were placed in a safety deposit vault to which the go-between and the promoter of the sale each had keys. The go-between got away with the money and was later caught and indicted for larceny. Then he told the story of his bribery of the city aldermen and other officials in getting the bill for the waterworks purchase through. The indictment of the city officials followed. The promoter claimed that he had paid Alderman Ellen \$250 for his vote on the measure.

ROAD WORK AND GARBAGE

HOLLOWAY WOULD CONSOLIDATE THE DEPARTMENTS—WILSON'S FIGHT TO RETAIN POSITION.

Charley Wilson's fight for his position as road supervisor is still being kept up. Wilson has A. G. M. Robertson, and T. McCants as advisers. A claim has been advanced that the Republican Executive committee meeting at which action was taken against Wilson was not regular under the rules partly because W. H. Hoogs and J. A. Gilman voted on the proposition as holders of proxies for members on other island.

Superintendent Holloway did not make the appointment of Sam Johnson yesterday, as has been stated. This morning he said that he was to hear from Robertson and wanted to hear what the latter had to say before acting. Holloway has, however, removed Wilson and is understood to want Johnson for the position. It is the superintendent's plan to consolidate the garbage and road departments and have Johnson run both. This abolishes the position of garbage superintendent altogether and will save one salary.

This morning the following notice was served on Senator Crabbe, chairman of the Republican committee, by McCants Stewart:

"To the Hon. Clarence L. Crabbe, Chairman of the Executive Committee of the Republican Territorial Central Committee of the Territory of Hawaii. Sir: I hereby claim that there has been no compliance with Governor Carter's request, that your committee pass upon the matter of my continuance in the office of Road Supervisor of the District of Honolulu; and I respectfully request you to lay the same before said committee at the earliest possible day."

"I am legally advised that the decision against my continuance in said office, which was reached on the 19th instant, was not regular, or legal, for the reason that it was secured by a vote participated in by the following persons, who have no right to vote in said committee, and whose votes were adverse to me, namely: Messrs. Joseph A. Gilman, and W. H. Hoogs; and, also by Henry C. Vida, an interested party."

"It is provided in the Rules and Regulations of the Republican party, Article IV Section 4, that a proxy in the Executive Committee can be held only by a member of the Territorial Central Committee."

"Now said W. H. Hoogs is not a member of the Territorial Central Committee and can not therefore, hold a proxy in the Executive Committee; and said Joseph A. Gilman, although as Treasurer, he is ex-officio a member of the Executive Committee, yet the rules expressly provide that he can not vote (Article IV Section 2)."

"I further claim, that Mr. Henry C. Vida is disqualified by virtue of his interest in the matter of my continuance in office, he being named for and being willing to accept the position of Assistant Road Supervisor in the event of my displacement."

"These three persons, together with one other, caused said decision to be against me, and these matters, have come to my knowledge since said decision."

"I am entitled to a fair and an impartial judgment from the regular party organization, and I therefore respectfully request you to advise the Superintendent of Public Works of the issue, which I now raise, and to call a meeting of the executive committee to comply with the request of Governor Carter. Very respectfully,

"CHARLES B. WILSON."
